Union Mfg Co's deed to Randleman Mfg Co beginning at A
& going to B C D E F G H I J K L M N O & the various courses of
long branch to A. That E then down river to x then South
to [illegible] then West to D & G then N 8.20 to river is a part of the land
not covered by any deed I have seen. Which parcel you said to
color yellow & let it go with Naomi land
Dotted line from B to x south of graded school is the true line
& Mrs Mary Ferree's deed calls for the corner at B (White oak). To make her
go to her deed calls she would be placed South to the dotted line
& west to the line B-C & go no farther east towards Main St than to
the line W. X. & would stop on the North end at the figures 4-3-2-1
cutting some off her front yard. If you let her stop at the old plank
fence & then stop at 5 & 6 she would then extend East to the line 7 & 8
but in that she could not cover the land to where Mr Gregson's sto Barker
there would still remain a strip back of the Drug store not in her deed
In the Charley Everheart & Oscar Gray land their deed calls for corner 3
to be in the Naomi Falls Mfg Co's line which you will see cannot be
