<p>I have read this application and certify that the information provided herein is true, complete and correct. The house box and appurtenances have been staked and ready for inspection. Authorized County and State officials are granted right of entry to conduct necessary inspections to determine compliance with applicable laws and rules. I understand that I am solely responsible for the proper identification and marking of all property lines, comers, and making the site accessible so that verification of house staking can be completed. The attached site plan represents my intentions for construction. I will notify Randolph County Environmental Health before making any changes to the approved plan and permit.</p>
