RANDOLPH COUNTY EMPLOYEES JOIN FORCES WITH LOCAL UNITED WAY TO SUPPORT COMMUNITY NEEDS

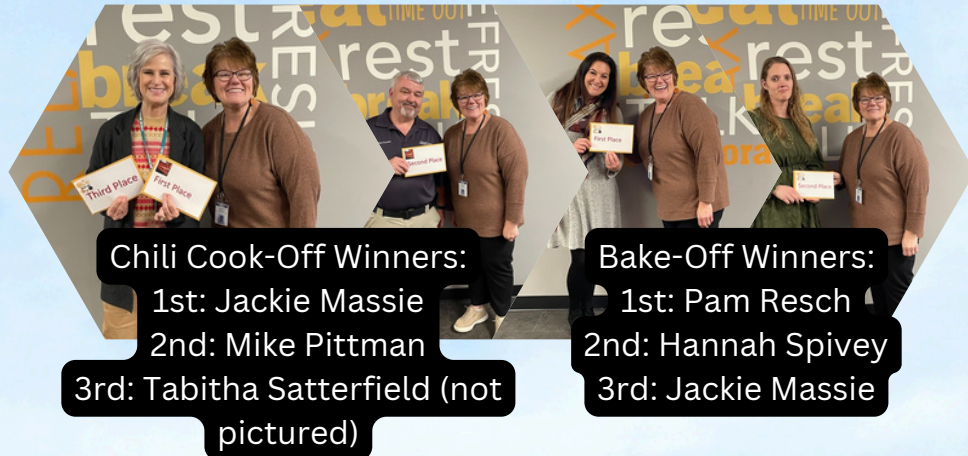

In a remarkable display of community spirit and dedication, Randolph County and its employees stepped up to make a meaningful impact through their participation in the local United Way of Randolph County campaign this year. Recognizing the importance of collaboration in addressing community challenges, this initiative reflects Randolph County's commitment to uplifting residents and supporting those in need. County Manager Zeb Holden remarked, "Our participation in the United Way campaign is about more than just financial support; it's about showing that we, as public servants, stand with our community. Together, we can support programs that improve lives and create lasting change." As employees are still filling out their pledge forms for support to United Way and from donations received at the Annual Chili Cook-Off and Bake-Off held November 20th, we hope to surpass our goal of **\$18,000!** Thank you to all employees for the support!
