But this is not just a story of destruction. It is a story of what came next. **You may access the full feature story [HERE!](#)**

On November 24th, Randolph County Board of Commissioners Chairman Darrell Frye and David Allen along with County Manager Zeb Holden had the honor to be recognized as an “Outstanding Philanthropic Organization” as nominated by Victory Junction and RhinoLeap Productions. The National Philanthropy Day event was coordinated by the Association of Fundraising Professionals North Carolina Triad Chapter and was held at the Grandover Resort in Greensboro. Traditionally the Randolph County Board of Commissioners allowed nonprofit organizations or local governments to apply for one-time funding through the Randolph County Strategic Planning Fund which is why they were recognized for this honor.
